"Dedicated to those braves who sacrified their today for our tomorrow"

A nation that does not remember those, who laid down their lives for the motherland, cannot always remain a nation worth dying for.

None can speak more eloquently for peace than those who fought the war

### FROM THE PRESIDENT'S DESK

#### FROM THE PRESIDENT'S DESK

Dear Veteran,

- 1. The OROP revision due from 01 Jul 2019 was declared by the Govt on 04 Sep 2024. As in the past it has not benefitted all the Veterans.
- 2. Sepoy to Havildar and Naib Subedar have their pensions increased by about Rs 1000 to Rs 2000 plus, there is no benefit to Subedar and Hony Lieutenant/Captain ranks. Similarly Captains, Major and Lt Colonels who have retired long back have not benefitted. In fact pension of some ranks have been reduced in the table but the higher pension they are getting will be protected. This is all because of change in service rules over the period.
- 3. As usual our request to Service HQs to hold a meeting with PCDA (Pension) has not been accepted. In absence of any meaningful action by the PCDA (Pension) the only course open is knocking the doors of the Courts. I wonder what pleasure our Controllers, the Service HQs and the MoD get by forcing us to go to Courts IESL is now open to taking matter to Courts. Since some cases are already filed. I would welcome greater litigation against the injustice meted out in our pension calculation. Since this needs adequate knowledge of the subject I seek assistance of those who can help prepare our cases. I also appeal to our legal fraternity ex JAG Branch to come to our help. IESL, will provide financial and all other support
- 4. Apart from OROP anomalies, none of our letters have been acted upon by our own Service HQs. Our proposals have fallen on deaf ears with eyes and minds closed. I wonder if this is going to help the serving in seeking disability pension on retirement.
- 5. .Various letters written by IESL are published in this Edition.

Brigadier Inder Mohan Singh (Retd)
President,

- 1. जुलाई 2019 से लाग<mark>ू होने वा</mark>ले वन रैंक वन पेंश्वन संश्लोधन की घोष<mark>णा सरकार</mark> ने 04 सितंबर 2024 को की है। लेकिन पहले की त<mark>रह इसका</mark> लाभ भी सभी भूतपूर्व सैनिकों को न<mark>हीं मिला है</mark>।
- 2. सिपाही से लेकर हवलदार और नायब सुबेदार तक की पेंशन में करीब 1000 से 2000 रुपये तक की बढ़ोतरी की गई है. जबिक सुबेदार और ऑनररी लेफ्टिनेंट कैप्टन रैंक के लोगों को इसका कोई लाभ नहीं मिला है। इसी तरह कैप्टन, मेजर और लेफ्टिनेंट कर्नल जो बहुत पहले सेवानिवृत्त हो चुके हैं, उन्हें भी कोई लाभ नहीं मिला है। दरअसल, कुछ रैंक के लोगों की पेंशन कम कर दी गई है, लेकिन उन्हें मिलने वाली उच्च पेंशन बरकरार रहेगी। यह सब समय के साथ सेवा नियमों में बदलाव के कारण हुआ है।
- 3. हमेशा की तरह, सेवा मुख्यालय द्वारा पी.सी.डी.ए. (पेंश्वन) के साथ बैठक करने का हमारा अनुरोध स्वीकार नहीं किया गया। पीसीडीए (पेंश्वन) द्वारा कोई सार्थक कार्रवाई न किए जाने की स्थिति में हमारे पास अदालत का दरवाजा खटखटाना ही एकमात्र रास्ता है। मुझे आश्वर्य है कि हमारे नियंत्रकों, सेवा मुख्यालयों और रक्षा मंत्रालय को हमें अदालतों में जाने के लिए मजबूर करने में क्या खुशी मिलती है? IESL अब मामले को न्यायालयों में ले जाने के लिए तैयार है। चूंकि कुछ मामले पहले ही दायर किएजा चुके हैं। हमारी पेंश्वन गणना में किए गए अन्याय के विरुद्ध में मुकदमेबाजी का स्वागत करूंगा। चूंकि इसके लिए विषय का पर्याप्त ज्ञान होना जरूरी है, इसलिए में उन लोगों की सहायता चाहता हूं जो इस मामले को तैयार करने में हमारी मदद कर सकते हैं। में JAG श्वाखा के पूर्व कानूनी बिरादरी से भी हमारी मदद के लिए आगे आने की अपील करता हूं। IESL वित्तीय और अन्य सभी सहायता प्रदान करेगा।
- 4. OROP विसंगतियों के अलावा, सेवा मुख्यालय द्वारा हमारे किसी भी पत्र पर कोई कार्रवाई नहीं की गई है। हमारे प्रस्तावों को आंख और दिमाग को बंद करके अनसुना कर दिए गया है। मुझे आश्चर्य है कि क्या इससे सेवारत सैनिकों को उनके सेवा निवृत्त होने पर विकलांगता पेंश्चन प्राप्त करने में मदद मिलेगी।
- 5. IESL द्वारा लिखे गए विभिन्न पत्र इस संस्करण में प्रकाशित किए गए हैं।

Subject: Revision of pension of Defence Forces Personnel/family pensioners under One Rank One Pension (OROP) W.E.F. 01.07.2024-reg.

Sir,

The undersigned is directed to refer to the provisions contained in para 3(v) of this Ministry's letter No. 12(1)/2014/D(Pen/Pol)-Part-II dated 07.11.2015 regarding re-fixation of pension of Defence Forces Personnel in future every 5 years.

- 2. The President is pleased to decide that the next revision of pension under OROP Scheme would be effective from 01.07.2024. Revision of pension is based on the principles adopted in MoD letter dated 07.11.2015 and are as under:
- 2.1. Pension of the past pensioners would be re-fixed on the basis of pension of Defence Forces retirees of calendar year 2023 and the benefit will be effective from 01.07.2024
- 2.2. Pension will be re-fixed for eligible Defence Forces pensioners/family pensioners on the basis of the average of minimum and maximum pension of Defence Forces Personnel retired in calendar year 2023 in the same rank and with the same length of service.
- 2.3. Pension for those drawing above the average shall be protected.
- 2.4. The benefit would also be extended to family pensioners Including war widows and disabled pensioners.
- 2.5. Arrears will be paid within one financial year.
- 2.6. Personnel who opt to get discharged w.e.f 01.07.2024 (on or after 01.07.2014) on their own request under Rule 13(3)I(i)(b), 13(3)II(i)(b), 13(3)III(iv) or Rule 16B of the Army Rule 1954 or equivalent Navy or Air Force Rules will not be entitled to the benefits of OROP.
- 3. Further, detailed instructions along with tables for revision of pension under OROP scheme, shall be issued separately.
- 4. This issues with the concurrence of Finance Division of this Ministry vide their ID Note No. 10/(01)/2019/Pin/Pen dated 08.07.2024.

1: For revision of pension, the qualifying service mentioned in first column shall be taken as actual qualifying service rendered for which pension had been sanctioned.

2. To cover invalid out cases, rates of pension has been indicated from 1/2 years of service upto Colonel rank and from 20 years of service for Brigadier and above ranks though such cases may not occur in neality in higher ranks.

3. Service Element of Disability/Liberalized disability/War Injury Pension & Invalid pension, shall also be revised by the rates mentioned in the table.

Note -

4: Rates for Lt. Gen (HAG +) are applicable for post 2006 retirees only.

5. Lower rates of higher qualifying service or blank rates are protected with higher rate of lower qualifying service in same rank (in same column), resulting same rates in some qualifying services

6. Lower rates of higher rank are protected with higher rate of lower ranks in same qualifying service ( with adjacent column), resulting similar rates in some ranks in some qualifying services.

7. The rate of pension of pensioners/family pensioners drawing more than the revised rate of pension/family pension indicated in annexed tables will be protected and their pension shall not be revised to disadvantage of the pensioner.

#### DELAY IN LITIGATION AT ARMED FORCES TRIBUNALS(AFTs) Sir.

- Armed Forces Tribunals (AFTs) were created so that Veterans need not go to Civil Courts as it led to inordinate delay in deciding legal cases. Further the inclusion of Senior Service Officers in the tribunals was to Facilitate better understanding of service matters.
- The AFTs presently either don't have all the authorized benches in place or the litigants have increased to an extent that the delay are now as much as it was once in High Courts. Further with increasing numbers of Veterans and more litigation mostly created by govt policies, there is a need to increase number of AFT Centers. This will help Veterans avoid travelling long distances to file cases

### FINANCIAL SUPPORT TO INDIAN EX-SERVICES LEAGUE (IESL)

Sir,

1. IESL did not face any financial problems till Jun 2019 when the Govt stopped its FCRA (Foreign Contribution Regulations Act) authorisation. With pensions to World War. -2 Veterans through IESL who had served under the British Army, the Royal Commonwealth Ex-Services League (RCEL) was magnanimous enough to bear most of our establishment costs. Despite promise by the then RM that we will be given compensation by our govt, nothing has happened.

- 2. We have reconciled to function without the aid. However to make individual ESM as also our organization to be self reliant financially, my first proposal of setting up Solar Parks in Military Stations is gathering dust some where. We have learnt that NTPC and probably some other Govt / private entities are being given these opportunities. I wonder is the ESM fraternity considered incompetent or to be deprived of 3 to 4 megawatt projects to help NTPC or other large conglomerates. Why can't it be allotted to IESL as a pilot in one of the mil stations? There were newspapers reports that around 60 mil stations are being covered under Solar Power Projects. Why not reserve them for IESL. Our latest proposal to LWE under QMG is enclosed.
- 3. It would not be out of place to bring to your notice the vast divergence in the functioning of Army and / or Navy HQ vis-à-vis Air HQ. Air Force Association (AFA) is the best example They have their office complex in Air Force Station Race Course Road, entire staff to run the organization consists of service personnel. A grant of Rs 38 lakhs each year for the past two years and the corpus donated by Marshal of the Air Force, Arjan Singh of above Rs 4 crore which is unmatchable in the history of Indian Veterans.
- 4. I reiterate IESL doesn't need any financial aid. We have not got a single rupee since our inception in 1964. If Gen KM Cariappa and Gen KS Thimmayya could create this edifice for Veterans, we can surely run it to keep alive their memories. I'll be grateful if Service HQ can consider our proposal for Solar Parks in Army/Naval/Air Force Stations. This will help more Veterans than what DGR can achieve. It will make our organisation strong. Let me convey a bit about our financials. We get a rent of Rs 3.57 lakh from the floor rented out to Yes Bank Our monthly routine expenditure is Rs 6 lakhs. And see how our govt helps the oldest Veteran Organisation. They levy a tax of 20 percent on the rent we get. Does it make the govt any richer. I request the CDS to have this waived.
- 5. I would also like to inform the Veterans that there are many organizations funded by the Service HQs or MoD; like CLAWS, USI, IDSA. Could be others also. Have these organisation won us any war. I can assure you we too can write papers, probably as good, if it can help us financially.

#### PROPOSAL FOR SETTING UP SOLAR PARKS IN MILITARY STATIONS

Sir.

- 1. A brief about Indian Ex-Services League (IESL). IESL was founded by Gen KM Cariappa and Gen KS Thimayya in 1964. The Govt of the day gave IESL nearly 2000 sq yd land in Chanakyapuri where the present building was constructed in 1970. IESL is an apolitical body, accorded the status of Apex Organisation of ESM through an Act of Parliament in 1982. We have our State Units and members in most parts of the Country.
- 2. It is probably for the first time IESL or any Ex-Servicemen (ESM) organization has taken upon itself to create a sound financial system for ESM. 25 Lakh strong ESM are a force to reckon with and can undertake any venture with little govt support.
- 3. My first submission to the services hierarchy. For us, the ESM, the govt is the Service HQ. I don't want to go into the technicalities on this issue. At times when I'm told the Govt of India rules are this and that I wonder is it our GoI or are we working under some adversary. When the GoI can help practically every section of the industry, trade, workers and farmers and every section of the society with the aim of improving the financial well being, why should ESM and our Services HQ consider our own Govt to be an impediment in taking decisions which are a win-win for all; the Govt of India, Services HQ and ESM. When none of them are losers and the benefit goes to ESM and their dependents what more can we achieve.

- Over an year back I proposed some of the projects that can be undertaken by ESM in a communication to the CDS, Services Chiefs, the Secy ESW as also the Hon'ble Raksha Mantri. My first focus was on setting up Solar Parks in military stations. The Services HQ were not moved by the proposals and the then Secy ESW in my meeting with him countered how and why defence land should be given to you. I had to take this statement head on. The Central and State Govts facilitate industries in so many ways, why is that done? Concessional govt lands to set up private industries and a host of incentives which are well known. I don't hesitate in stating that if the worlds largest and amongst them, India's large corporates are given incentives to make money why not ESM. Productivity Linked Incentive (PLI) is a case in point in addition to other financial incentives and trade policies to large corporates. The govt is also keen that the MSME sector grows.
- that our formal organizations like DGR, Placement Organisations, Central and State Govts reservation policies for ESM cannot easily match our proposals which we will take up as we progress on the first one. We are aware how security and coal transportation companies given to ESM through DGR are passed over to existing big players at a small share of profit. Another example is the existing policy of 13% jobs for ESM and their dependents. I dare say no State Govt has come close to this figure ever. At best 5 to 10% or even less. And now the political storm over Agniveers has led to commitment of 10% jobs to Agniveers by some State Govts as also CPOs under Govt of India. With 13% earlier and now another 10% for Agniveers, that's nearly a quarter of Govt jobs for ESM. This is a pipe dream, a political competition. Most of us should be more concerned about unemployed youth of the country. ESM get pension, a lump sum take home of Rs 40 to 70 lakh for NCOs, more for JCOs and officers. Then our retiring NCOs/JCOs seek jobs only in the vicinity of their place of residence which is not possible for everyone.
- 6. Let me say there is a mistrust existing between the Veterans and the Govt. And in this conflict it's often said that our Service HQ are not helping the genuine issues of ESM. What IESL proposes will go a long way in creating a better environment.
- 7. I assure you that we will follow the best practices in implementing this project. We will live up to our founding fathers, Gen KM Cariappa, OBE and Gen KS Thimayya, DSO.
- 8. In my quest for how to reinitiate this proposal I realised that the QMG is the best route. Sir, you gave a very patient hearing when I met you last week and asked me to forward the proposal.
- 9. With this background I enclose the proposal as an Appendix to this letter.

### PROPOSAL FOR SETTING UP SOLAR PARKS IN MILITARY STATIONS

- 1. Setting up Solar Parks has manifold benefits in military stations :-
  - (a) They help in reducing carbon footprint with less dependence on fossil fuels which is our main stay.
  - (b) Provide a big savings to the armed forces budget.
  - (c) Roof top solar are not practical in military stations because the occupants move out in one to two years. Solar panels need washing, checking of connections, plus an inverter has to be placed in every block. This will add to costs as also monitoring and maintenance / repairs. It's cheaper to have a two to four megawatt solar park than 3 to 5 KW rooftop solar panels in scores of buildings.
  - (d) Street lights and other facilities consuming power won't get cost savings till we put up adequate capacity solar panels in a Station.
- 2. There can be no better and bigger option for the vast community of ESM than setting up solar parks. We at IESL need no funding. We have a very transparent system. For the purpose of solar parks our IESL HQ, State IESL bodies and ESM across the country, whether members or not of IESL will be welcome to join. A professional management from within the ESM fraternity team will be formed to the satisfaction of all.
- 3. The Rooftop Solar Yojana or the PM Surya Ghar Muft Bijli Yojana is to provide 40% subsidy for one crore homes toward cost of solar panels. This is the major capital cost. I would request some of these benefits be given to ESM in such projects which benefit everyone.
- 4. As a pilot project we would like to set up one Solar Park of capacity between 2 MW and 4 MW. As a pilot I'll give the data for a 3 MW solar park. The power will be supplied to the military grid in the station and not to any other entity.
- Land required 5.5 acres.
- 6. Approx cost Rs 6.5 to 7 crore. This will be self financed by HQ IESL, State Units of IESL, desirous ESM in the pilot project. Once functional we will open the projects to ESM across the country on a share holding basis.
- Power production per year 42 lakh units in a 3 MW park.
- It will be completed in 4 to 5 months.

- 9. Now the main question what rate we expect from the govt / MES. I'm sure the tariff would be varying from State to State. I can talk of Punjab and Haryana where the residential rates vary from Rs 7 to 8 a unit. I wouldn't know what the MES pays for power. Assuming a low rate of Rs 6/- per unit it would be a great saving to the services if a further 25% saving is made in power bill, that is @ Rs 4.50 per unit. The ESM venture will make a profit of 15% per annum on this investment. This is twice the rate of bank interest on FDs.
- 10. Our cost will be low because we don't have a system of highly paid executives running the project which the corporates have.
- 11. We will only use Indian manufactured solar panels.
- 12. We have a vision to make solar power available to all the military stations, including Air Force and Naval establishments in two to three years. Where there is shortage of land the solar parks can be set up in military lands which are not in use, e.g. camping grounds which are in plenty in Punjab and Haryana. Could be in other States also. The open access system can be adopted where the power produced in a distant place in the same State can be supplied to the military establishments through State Govt grids. This will entail some extra cost but camping grounds and other unused areas can be gainfully used.
- 13. We will also offer serving officers to be part of this project once the pilot is implemented successfully. Stn Cdr and other HQs will be open to monitor our projects.
- 14. Though I have no data of the power needs I can make a safe assumption that it will easily exceed 1000 MW. May even top 2000 MW. IESL as the prime mover of this proposal we will take upon to undertake this in the military stations across the entire country.

Sir,

- 1. We have approached the QMG Branch as also the CDS and the Service Chiefs that IESL be given permission to set up Solar Parks in Military Stations. Photocopy of letter enclosed.
- 2. AWES too has large establishments which can bring down the power costs considerably. Wherever possible these can be set up on roof tops and where adequate open space is available these can be set up in open areas also.
- As an example at our office in Chanakyapuri we have set up a 20 KW roof top solar system.
   In the past six months our bill is zero, except for fixed charges. It used to vary between Rs 50000 to 80000 per month earlier.

#### Sir,

- Its after nearly a year that we are approaching you again on issues affecting Veterans.
- 2. OROP Anomalies. Indian Ex-Services League (IESL) in the past one year has approached you on many issues, the main one being OROP anomalies. Strangely except for a written response from the Chief of Air Staff nothing has been conveyed to us. Even that has not addressed any issue. Alongwith other appointments, incl Sr Vice President of Air Force Association, we have interacted with the CDS, CAS and the Secy DESW. Nothing has emerged from these deliberations also. We met concerned PSOs / DGs and other senior officers also on resolving these issues without any success.

- ·3. It's as good as closing the cases. In the past nearly a year we have not reminded any of the Service HQ or the Secy ESW that no action has been taken on the one major issue affecting majority of the Veterans, the anomalies in OROP and subsequent revision, commonly referred to as OROP-2.
- 4. We have no inside information of communication between the Service HQ and MoD / PCDA (Pension) on these issues. But the Veteran fraternity is of the view that the MoD /PCDA (Pension) does not even acknowledge that the anomalies exist. This is not a confidential subject. Can we hear from you or your concerned offices the true status of the anomalies. If not it'll be assumed that the Veterans should reconcile to their fate and stop raising this issue with Service HQ or Secy DESW. Veterans who have knocked the doors of the courts have succeeded and I feel our Service HQ should avoid such eventualities.

### SPARSH

Alongwith the issue of anomalies in OROP / OROP 2 the other major problem is SPARSH. Though I cannot vouch for the authenticity, a voice recording that has gone viral stated that PCDA (Pensions) is deliberately creating problems because the PCDA (Pensions) wants a firm connected with it for reasons best known to them to undertake the implementation rather than the TCS nominated firm. If true this is really sad. I suggest a formal clarification from TCS would be in order. If the Service HQ couldn't raise their voice against the SPARSH project of MoD, they could have sought views of Veterans on its implementation. To save Rs 200 crore outflow to Banks. I'm sure the govt would have spent many times more. All that was required that the four mandatory components of pension; details of PPO, Aadhar Card, PAN Card, bank account could have been taken from ESM through a hard copy. Details of NoK after the demise of the Veteran and his wife could also have been taken. Where required fresh Part II Orders could have been initiated. IESL has a better reach then the District Soldier Boards. A nominal amount of say Rs 100/- to Rs 200/- per head would have been spent and all documents sent to PCDA (Pensions). The error in collecting details from banks would have been avoided. This would have cost the govt not more than Rs 50 crore.

#### Additional Pension on Attaining 80 years Age

6. The latest problem that needs to be resolved is the increase in pension. There is a difference of one year between civil govt and defence pensioners. As seen from media reports and court orders, civil govt employees get this increase on completion of 79 years, that is on the 80<sup>th</sup> birthday. Military Veterans get it on completion of 80 years.

#### Reduction Period of Restoration of Commuted Value of Pension

7. The other issue which has been taken to the court is of restoration of full pension for those who have commuted their pension. It is seen from reports in the media it's 11 years 8 months and not 15 years. Why not implement the same for defence Veterans. Gujarat High Court and Punjab & Haryana High Court CWP 8222/2024 and 9426/2023 have passed directions for stay on recovery of commuted pension after 13 years.

### PROPOSAL OF GRANT OF ONE TIME PAYMENT OF Rs 15 LAKHS UNDER YUDH SAMMAN YOJANA – REG

- 1. Reference your Letter No 12681/Gen/YSY/T-1/MP-5(b) dated 08 Aug 2024 which is in wide circulation in the Social Media.
- The decision to grant one time payment of Rs 15 lakh under "Yudh Samman Yojana" to EC/SSC officers who are not in receipt of any govt pension is appreciated. But it would be incorrect to state that only 125 officers who took up the case should be eligible for this award.
- 3. There are many officers who were not informed of this proposal when it was initiated and 125 officers have been given this award. The onus of informing the EC/SSC officers who were eligible lies with the Service HQs.
- 4. Not only officers, there are OR who were discharged after 9 years colour service without an pension. Some of the OR have participated in the 1965 and 1971 wars. They were not sent on reserve because the reservist quota was limited. They were thus released without any pension. We cannot place them in the category of 'Penury Grant'. An OR who has got the Samar Seva Staron Poorvi Star / Paschimi Star Medals or both cannot be left to survive on 'Penury Grant' if Rs 15 lakh is being given to EC/SSC officers.

- 5. Further if the award is for serving the country in 1965 and / or 1971 wars then where is the need to submit information sought; i.e. house, land, IT return etc. Are EC/SSC officers and OR expected to live in penury after release. Whatever financial gains they have made is solely their effort. This bureaucratic approach should be avoided and all EC/SSC officers and OR who served in one or both the wars be granted this one time payment of Rs 15 lakh under "Yudh Samman Yojana".
- 6. There could be a few regular officers and OR who took pre-mature retirement for some reasons. No one would deprive himself of full service and pension. Only very compassionate and pressing reasons would have led to their decision to quit service prematurely. Similarly there are officers who were discharged because they could not pass promotion exams. These cases also need consideration. There would not be very many affected persons. They cannot be deprived of the "Yudh Samman Yojana".
- 7. Many ESM in these categories would have died. It would take time to reach out to their NoK. In view of this, the Zila Sainik Boards, CSD outlets and ECHS Poly Clinics be intimated to reach out to all such effected personnel. IESL as also other ESM Organisations will also reach out to the ESM/NoK, once the amended policy is in place. Else it will lead to large scale litigation.
- 8. You'are requested to revisit the proposal and then issue instructions to avoid the type of faux pas created.
